Problem Statement

Pet owners need an easy way to learn which locations in a certain city or place allow pets because oftentimes they have to forgo activities or experiences merely because they did not realize that it was not “pet-friendly” before arriving there. They need a way to put a stop to man’s best friend being left out.

Who is experiencing the problem?

- People who want to have their pets with them when they are in new/unfamiliar locations

What is the problem?

- It is difficult to experience new locations with pets

Where does the problem present itself?

- The problem is presented when a person wants to go out to a location (ex. a restaurant or store) but they are unaware of the rules in place regarding if they are allowed to bring their pet with them or not.

Why does it matter?

- People should be able to enjoy where they go with their pets.
